

2021 HUNTER JUMPER SCHOOLING SHOW

Per COVID-19 restrictions, registrations will be accepted online only and completed upon payment in full. To de-densify facility, riders will compete in order of barn or trainer. Each barn/trainer will be assigned a time frame to complete their riders' classes, including a preceding warmup time in the main arena as time allows. Classes will be run in order of height rather than division as shown below, with flat classes immediately preceding their lowest associated height division. Limited class changes will be allowed during show and only with written change form submitted at show office before class begins.
